

La Paz Waterfall Gardens

On the slopes of Poas Volcano we stopped at La Paz Waterfall Gardens which is the most visited privately owned ecological attraction in Costa Rica. Here the students hiked through an animal sanctuary with over 100 species of animals as well as 4 stunning waterfalls.

From their website, listed below:

"As you wander the trails of La Paz Waterfall Gardens your senses will delight at the Five Waterfalls that line the trail. The La Paz Waterfall is the Most Famous Waterfall in Costa Rica where visitors often stop on the road to take photos on their way to Arenal, but the most stunning falls are above the La Paz Waterfall along a steep canyon accessed by our easy hiking trails. The natural beauty of the mixed Cloud and Rainforest along the La Paz River makes these Five Waterfalls the most scenic in the country."
